Re: Albion-Sheridan Landfill

Dear Ms. Faryn:

Thank you for agreeing to meet with Corning Incorporated and Cooper Industries relating to the status of the Albion-Sheridan Landfill remediation.

As promised, I have written to Kroll Associates, seeking permission to forward the investigative report to U.S. EPA Region V.

As we discussed, I would appreciate a letter from you indicating other potential leads for an expanded PRP pool, so that Corning and Cooper could perform investigative legwork in exchange for U.S. EPA's agreement to send out special notice letters to the expanded PRP list.

Thank you again for consenting to and arranging the meeting.

Very truly yours,

Andrea Kojm Thomas
Assistant Counsel
